- Club Treasurer Jeff Kunzer gave his report. Approved.
- Jeff Kunzer reported there were 508 paid members as of March 31, 2022.

**New Business**

- Suggestion that due to the high cost of fuel that a fee be required to use the golf carts for shooting. It has not been a high cost item so it was left that a fee would not be necessary but if the user wanted to make a donation, that would be fine.

**Old Business**

- A variety of topics were discussed including:
  - Jeff Kunzer, Rudy Reiber, Van Huston and Jim (?) will begin the risky task of putting the potentially hazardous ash trees on the ground. Would probably be a Monday, Tuesday and/or Wednesday activity. Starting place would be the ash trees between the range parking lot and the road followed by going out to the clay's course.
  - Skeet field lights will be replaced with something more suitable.
  - When it dries up some, a cleanup work party will be organized. Notice provided by email.
  - There was an extra \$31 charge on the monthly telephone bill that was removed thanks to Jeff Kunzer's effort. Suggested that the phone in the club house is not for general use.
  - The EZPull Control System as used on the skeet field will be employed for the trap field.
  - Note to the users of the rifle and pistol range, please close the gate after you have entered or exited.

### **Other**

Tim Montondo has suggested a club activity called “**So you think you can shoot**” which basically goes like this according to initial plans:

Main idea is have a shoot with rifle, pistol and shotgun, each worth 100 points.

**Rifle** would be open sights at 50 yards with 10 shots worth a maximum of 100 points.

**Pistol** would be shot at 7 yards with 10 shots worth a maximum of 100 points.

**Shotgun**, two choices worth a maximum of 100 points. Could be a round of sporting clays worth 2 points per dead bird. Or a round of 50 sporting clays plus 25 at Skeet plus 25 at Trap for 1 point each per dead bird.

Tim will have a CO2 pistol for shooters that do not have a NYS Pistol Permit.

Goal is to get members together for some fun shooting and see who might be the best overall shooters in the club. More detail to follow.

If you have some suggestions, feedback, etc, let Tim know: [timothymontondo@gmail.com](mailto:timothymontondo@gmail.com).

### **Adjournment**
