New Business:

Old Business

- Tim Montondo is planning another CPR course for WCSC members, spouses, etc. on Tuesday January 16th, 2024 at 6:00PM at the Williamson Ambulance Base. Cost will be \$30.00. There are currently 3 members signed up. Contact Tim if you would like to take the course (315)667-0185.
- The Hunter's Tour Shoot will be held at the WCSC on Saturday and Sunday January 13th and 14th. Club members are needed to volunteer some of their time to make this a smooth, successful and money making event for the club. Volunteer time counts towards your reduction in member renewal fee. Helpers should be at the club house by 8:15 each morning and dress according to the weather. New members or anyone not doing this before will be paired with a member who has.
- Election of Officers was held. The current officers will continue at their positions. Tim Montondo was elected Director. Welcome Tim and Thank You.
- There are currently no Civilian Marksmanship Programs (CMP) scheduled. If there is sincere interest, please contact Rick Benton, Director via the club website.

SCOPE Report by Don Smith

- Don had copies available for a variety of gun ownership related topics. And not surprising, there is an abundance of proposed laws severely restricting gun ownership that affects primarily, the lawful gun owner. Be aware of what's going on and vote and get your gun owning friends to vote this coming November for members of the NY Senate and Assembly that are gun friendly. Visit the SCOPE website at: <https://www.scopeny2a.org> for the latest.

Other

- Some empty shotgun hulls were found on the Sporting Clays course that if factory loaded contained shot larger than size 7 ½. Just a heads up to members that may have non member friends shooting that aren't aware of the Shot Size 7 ½ rule.

Adjournment

- Motion made to adjourn at 7:45 PM. Motion carried.
