

# New York State Mandated Pistol Permit Safety Course

Williamson Conservation and Sporting Club (WCSC) is pleased to announce that it will be holding the mandated pistol permit safety course that is required by NYS law for all applicants seeking a NY pistol permit. The course will be presented over two Sundays – October 15 and 22 from 8:00 AM until about 7:00 PM. The cost of the course is \$275.

Handguns, ammunition, and holsters will be provided for use in the class. Students must be 21 years old and must not have any legal prohibitions about handling firearms or ammunition.

Students should bring hearing and eye protection, although we will have a limited amount for those who do not have those items. Students should also bring a notebook and pen and a garment such as a jacket or button shirt that can be worn to cover a handgun in a holster. Also, please wear a belt that is sufficiently strong to be able to hold a holster and firearm.

We encourage students to bring lunch and other refreshments (no alcoholic beverages), as, although we will be taking short breaks during the course, we will not be breaking for lunch per se.

Class enrollment will be limited to about 8 participants, Interested persons are encourage to enroll as soon as possible as the slots will be filled on a first come-first served basis. Registration and payment-in-full must be received by September 22. In addition, a limited number of individuals who are not applying for pistol permits but who wish to gain familiarity with the NYS laws can enroll for the classroom discussions that will be held on October 22. Cost of taking only the legal module (Sunday, October 22) is \$50. Certificates will only be given to those students who register and complete BOTH days of the course.

Checks should be made out and sent to me and sent at Donald Rimai, P.O. Box 505, Webster, NY 14580. Please feel free to contact me with any questions or concerns at [donrimai@gmail.com](mailto:donrimai@gmail.com).

Williamson Conservation and Sporting Club is located on Pound Road in Williamson about a mile north of Route 104. If heading east on 104, you will see the Mott's plant on your left. The next intersection, which has a traffic light, is Pound Road. Turn left onto Pound and bear left to stay on Pound Rd. at the intersection with Bear Swamp Road. WCSC is past the intersection on your right. Classroom activities will be indoors. However, the range is outdoors. Students should dress accordingly.
