- WCSC member Greg Cummings representing The Coalition to Protect Kids, spoke of Proposition One to be voted on this coming election day November 5<sup>th</sup>, 2024. From their point of view, "This so-called Equal Rights Amendment, or more aptly called the Parent Replacement Act, is composed in dramatically vague language and could strip parents of rights, infringing on common sense protection of children. It could give NYS more authority than parents in making important medical decisions for children. Minors could have the right to irreversible transgender procedures without parents notice or consent. Biological males could be allowed to compete against biological females in school sports with out restrictions." The Coalition strongly recommends a NO vote on Proposition One this coming election Day in November.

**Adjournment**

- Motion made to adjourn at 7:45 PM. Motion carried.
