

**Williamson Conservation and Sporting Club**  
**6786 Pound Road**  
**Williamson, NY 14589**  
**Meeting Minutes for Tuesday November 5th, 2024**

**Call to Order**

President Greg Hiller called the meeting to order at 7:00 PM immediately following the Pledge of Allegiance to the Flag.

**Members in attendance:** Whit Sprague (new member), Luis Rivera, Russ Darrow, Joe Amorese, Jon Jordan, Tim Montondo, John Jenkins, Bob Crombach, Jeff Kunzer, Greg Hiller, Jim Sweet, Steve Benedict, Dave Waddell, Eric Giebner and Bill Jolliff.

**Officers Reports**

- Minutes for the October 1<sup>st</sup> meeting were read but more correct wording describing the errant shots found after the Project Appleseed program would be .22 shots hitting the overhead baffles. Not overhead berms.
- Club Treasurer Jeff Kunzer gave his report for October. His report was approved. Jeff reported there were 561 paid members as of October 31, 2024.

**Old Business:**

- The perch and walleye fry held on Saturday November 2<sup>nd</sup> was a wonderful success. An abundance of great food welcomed about 46 shooters that contributed about \$700 to the clubs Youth Fund despite not the best of weather conditions. Light intermittent rain and cool but otherwise a great day.

**New Business**

- Many thanks to member Joe Amorese for repairing some pretty beaten up target holders on the range.
- Still under consideration is installing cameras on the range. For the most part, not much of any negative activity found but some surveillance cameras might be beneficial.
- Jon Jordan received some replies for interest in having an archery range at the club. Not an elaborate setup but up to 5 archery targets for cross bows, compound and recurve bows. A simple and basic setup could be located to the right of the trap field with something more elaborate later. Contact Jon at: [jon.jordan395@gmail.com](mailto:jon.jordan395@gmail.com) if you would like to help,

**Adjournment**

- Motion made to adjourn at 7:35 PM. Motion carried.

**Submitted by Bill Jolliff, Secretary**
