Pre-2026 Membership Renewal Information

Use Only if You Are Renewing Before January 1, 2026

Programmable Gate Card - will continue to be authorized for the coming year upon completion of your renewal. Please note - if you lose your programmable gate card, a replacement card costs \$10.

Membership Levels - All memberships have *family* privilege. *Family* includes your spouse or significant other and children living at home that are 17 years old or younger. Full time students, between 18 and 21 years old are also included.

Pre-2026 Membership Dues – same as this year \$60. A senior membership is \$30, a 50% reduction. A member must be 62 years of age or older on January 1st. to qualify for senior rate.

New Membership Dues: If you renew your membership after January 1, 2026, your Membership Increases: Family Membership (Spouse, Children Living at Home, Student up to age of 20): \$70. Family Membership for applicant over 62: \$40. Lifetime Membership: \$700. Senior Lifetime Membership: \$400.

Work Hours/Assessment – Often there are obstacles for members needing to satisfy their annual 16-hour work commitment. We will continue to accept a \$25 assessment for any member not completing their required annual hours. If you are renewing your membership for 2026, and did not complete the required 16 hours of work at WCSC during 2025, please include the additional \$25 with your renewal. If you have previously made an additional donation, or have provided any other services for WCSC in lieu of work hours, please disregard the 2025 assessment.

Examples of Work Hours Opportunities – Helping with shotgun activities on Thursdays and Sundays is always possible. Several work days are planned every year. Events such as the *Hunters' Tour Sporting Clays* weekend shoots require many helpers to assure that things run smoothly. Also, many members perform independent activities. Complete and return the next page, even if you are a Life member, or have previously paid for 2026. Having your completed form allows us to assure that we have correct contact information.

Include the 5-digit gate card number, as it makes it easier to re-authorize your card without searching our database to find your number.

Include the date your renewal was submitted.

Note: If you do not wish to continue your membership, please indicate so on the form and return your gate card so that we may use it again for a future member.
